

**CITY OF ALISO VIEJO
MEMBER OF THE CITY COUNCIL MEMBER**

TODD D. GILLESPIE

OCCUPATION: Investment Banker / AVCA Board Vice President

My wife Julie and I chose Aliso Viejo, over 5 years ago, as the community where we wanted to purchase our first home and begin our family. Because we were starting a family, the importance of good schools, safe streets and a beautiful environment were extremely important to us. Those characteristics are even more important to us today as we have been blessed with two wonderful children, Elena (4) and Wyatt (18mos.)

As a personal commitment to get involved with my community, I volunteered my time as a delegate to our Master Association, AVCA. Because I was concerned with the decisions being made by the board, I decided to enter the next election and won a seat on the board.

As a profession, I have been in the financial services industry for over 13 years. I have owned my own securities firm and recently have been hired as an investment banker.

Like a start-up company, Aliso Viejo is a young city that will need professional guidance as it matures. Aliso Viejo will need strong leaders who can partner with our schools, who can coordinate efforts with AVCA and who can fight Sacramento for our revenue dollars.

I humbly ask for your vote.
